## THE TRAVELING CLATT ARRIVES IN DALLAS

DFW MACA hosted Tal Oran, aka The Traveling Clatt at UNT last month to give an incredible talk which helped to dispel myths and lies about Israel and the Jewish people. He is the ultimate “white colonizer” - whose family came to Israel after the Farhoud massacre in Iraq.

Tal also made time to speak at Congregation Shaerith Israel, and even made it down to Austin to film a podcast with Roseanne Barr.

## DFW MACA APRIL LUNCHEON

Our DFW MACA luncheon last month was a huge success! So many wonderful volunteers showed up to hear what we have done so far, what we have planned, and how everyone can help!

We have established committees to help our chapter more efficiently meet our goals. If you are interested in helping us move mountains and fight the good fight - please reach out. Our kids need their village.
