DFW MACA in Tarrant County

Thank you so much to Cindy Simon, and Tarrant County Jewish Federation for inviting us to come and present about MACA before the screening of October H8te.

Tabling at UNT

DFW MACA sponsored a table at the Mean Green Fling at UNT. The event was held to showcase all of the organizations and clubs on campus available for students.

Follow the Money

David Patterson of UTD spoke to a full house at Congregation Adat Chaverim about where and how Qatar and other bad actors are funneling money into our schools. An incredibly eye-opening lecture that left us all motivated to raise awareness and fight back!

Back to School College Night

College students from all over DFW home for the summer got to enjoy a fun night of Escape rooms and crazy darts at Corky's in Grapevine.
