# Campus Antisemitism Report Card™

Antisemitism is far too common on our campuses today. Our students, staff and faculty in Michigan deserve to learn and work in environments free from disruption, harassment and intimidation. ADL's campus resources empower students, staff, faculty and families with the information and tools needed to understand and respond to antisemitism on campus. Specifically, ADL's Campus Antisemitism Report Card provides information about the current state of antisemitism on 150 campuses across the U.S.

Come and learn how Kalamazoo College, Michigan State University, University of Michigan, and Wayne State University are addressing antisemitism.
